The tanks will be placed 37 feet off the edge of the black top.

The driveway must be 210' from the center line to State Highway 25. See attached map.

Steve Bechel agreed to make sure the driveway will be straightened to help prevent the breakup of black top on the town road.

The zoning map on the website needs to be corrected. All R2 multi residential – is listed at 3600/sq. ft and it should be 36,000 per sq. ft. per dwelling unit.

Discussion on a Resolution to increase levy limit.

Tax is not keeping up with the town's bills.

Need to have Town Board meetings – options on process.

If the population is 30,000 or greater there must be referendums, less than 3000 can pass a resolution and bring it up to electors to raise our limits.

Projected levy limit increase by \$40,000.00.

This increase will be paid for by taxpayers on the town tax only. It will not affect the school or CVTC taxes.

Dave read the resolution to exceed the levy limit via town meeting.

There will be a special meeting on 10/26/2023, Thursday, at 6:00 pm.

A copy of the resolution will be sent to the Department of Revenue.
